

Corporate Governance

Board Members

NParks is overseen by a Board, comprising chairman and 10 members currently. All are non-executive members, except for Mr Ng Lang, who is the Chief Executive of NParks. The Board derives its strength from the extensive and complementary background, qualifications and experience of its members.

The Board's key responsibilities are to:

- Endorse broad directions, policies and strategies relating to NParks' achievement of its vision, mission and objectives, and performance of its functions.
- Oversee NPark's operating and financial performance taking into account NParks' budget, expenditure, assets, transactions and projects.
- Provide input and guidance on matters relating to NParks' parks and infrastructure development programmes and establishment.
- Approve NParks' tenders (as members of the relevant Tenders Boards).

The Board has established three committees – the Establishment Committee, the Audit & Finance Committee and the Garden City Fund Management Committee – to assist it in carrying out its duties.

The Establishment Committee's role is to review key personnel policies and operational plans. The Audit & Finance Committee ensures that accounting policies and internal controls are in place. The Committee reviews the audited financial statements of the Board, the audit results and their evaluation of the adequacy of internal controls. The Garden City Fund Management Committee plans, develops, promotes and manages the Garden City Fund in accordance to its Trust Deed.

Board's Conduct of its Affairs

The Board meets four times a year and as and when necessary to address any significant matters that may arise. To enable the Board to fulfill its responsibilities, the Management Team strives to provide the Board members with adequate information for the Board meetings and on an ongoing basis. The Board also has direct and independent access to the Management Team for further information and explanation, if necessary.

Accountability and Audit

The Board's accounts are audited by the Auditor-General or such other auditor as may be appointed annually by the Minister in consultation with the Auditor-General. The auditor findings in the course of the annual financial audit are submitted to the Board and also reported to the Ministry of National Development. The audited financial statements and the auditor's report are also presented to Parliament.

Internal Control Framework

NParks' internal control system ensures that assets are safeguarded, proper accounting records are maintained, and that financial information is reliable. The overall control framework includes:

- An organisation structure with clearly defined authority and delegation limits and reporting mechanisms to higher levels of management and to the Board;
 - An annual budgeting and quarterly financial reporting system for all operating units that enables progress against annual plans and objectives to be monitored, and variances to be acted upon;
 - Compliance with the provisions of the National Parks Board Act, Cap 198A, Singapore Financial Reporting Standards, Government Instruction Manuals, Finance and PSD Circulars and Minutes for policies and procedures related to operations, human resource management and financial controls and regulations.
-
