

## **Gardening with Edibles Masterclass**

**1. How many Gardening with Edibles Masterclasses are there?**

- The masterclass series will be held on the last Saturday of every month, for eight sessions.
- Please check our Edibles Masterclass webpage for updates on upcoming topics.

**2. When does registration for each masterclass open?**

- Registration for each masterclass will start at 10am on the second Saturday of the month and open for 1 week or when all available spaces are full.
- Registration is to be done online. Please check our Edibles Masterclass webpage for updates.

**3. Is registration for the masterclass on a first-come-first-served basis?**

- Registration for the masterclass will be on a first-come-first-served basis as the masterclass series will be online via Zoom, with a maximum capacity of 1,000 participants.
- Do note that only registered participants that attended the sessions on Zoom will receive the free seeds of edibles plants featured in the masterclasses

**4. Is there a need to register/sign up for the masterclass?**

- Registration for the masterclass is required for participants to secure a slot for the session.
- Registration will help to confirm the participant's sign-up, as details on the Webinar ID and Zoom link will be communicated via an email to successful participants before each session.
- The email address used for registration will be validated when the participant attends the masterclass for the redemption of the free seed pack.

**5. Registration for the masterclass has closed / All spaces are full. Can I still register for the masterclass?**

- We apologise that we are unable to process any registration once the online registration period is over, or when all available spaces are full.
- The masterclasses will be available for viewing on our YouTube page ([www.youtube.com/NParksSG](http://www.youtube.com/NParksSG)) a day after each session.

**6. How many masterclasses can I register for?**

- Public can register for any of the masterclass as long as spaces are available.

- 7. I've successfully registered for the upcoming masterclass but I can't attend at the last minute. Can I transfer my registration to another person?**
  - Registration for the masterclass is non-transferrable. Participants who are keen to attend are to register for a slot individually so that we can set aside a seed pack each.
  
- 8. Can I still get a free seed pack if I successfully registered for the masterclass but did not attend the session on actual day?**
  - Only registered participants that attended the session on Zoom will receive the seed pack.
  
- 9. How many seed packets am I entitled to?**
  - Every participant of our Edibles Masterclass will be able to receive one seed pack.
  
- 10. What are the varieties of seeds to be given out?**
  - The challenging seed pack includes varieties such as:
    - a. Bitter gourd
    - b. Capsicum/Bell Pepper
    - c. Chili
    - d. Corn
    - e. Four-angled bean/winged bean
    - f. Other brinjal cultivars
    - g. Other tomato cultivars
    - h. Snow pea
    - i. Soybean
  
- 11. Can I choose the type of seeds to receive?**
  - The seed packs will be distributed according to the masterclass topic.
  
- 12. When will I receive my seed packs?**
  - Seed packs will be sent out in the following the month after that Edibles Masterclass session at the end of the month.
  - Please note that posting of seed packs are only for local residential addresses only.
  
- 13. Does NParks sell the seeds and if not, where can I buy them?**
  - Seeds of various edible varieties and species can be purchased from local plant nurseries, seed suppliers, as well as supermarkets.
