Let's Learn About the Parts of An Animal!

Learn about the body parts of your pet dog. Trace over the words in grey.

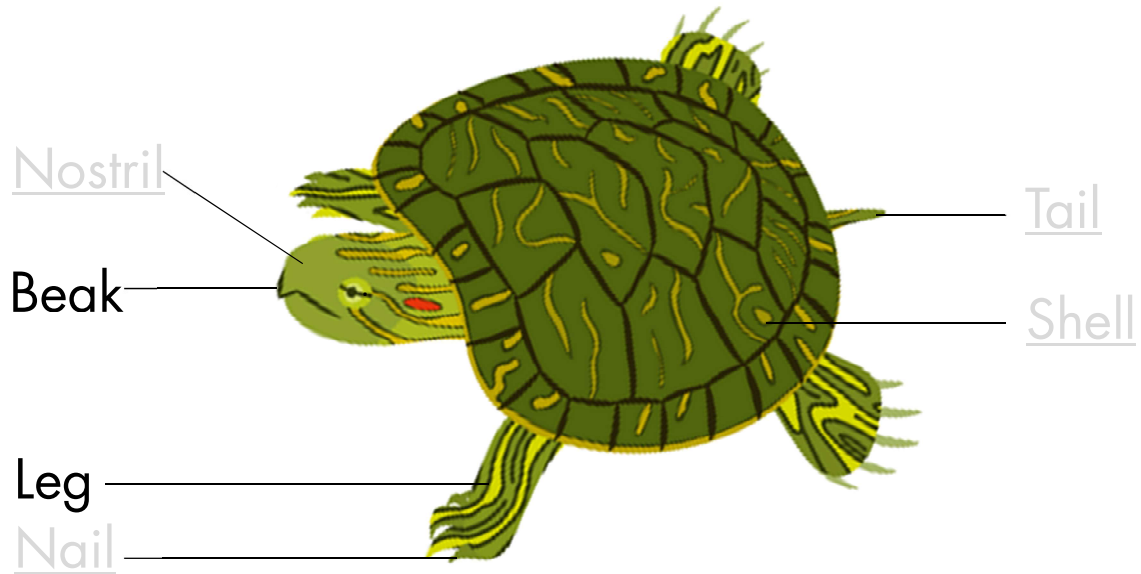

Do you know what to do when you meet a pet dog for the first time?

- Ask its owner for permission before greeting or petting the dog.
- Stoop to its eye level and offer your hand. If the dog comes and sniffs your hand, you may pet it gently from the side of its face and down its back.
- If the dog keeps its distance, respect it and not force the interaction.

Let's Learn About the Parts of An Animal!

Learn about the body parts of your pet Red-eared Slider Terrapin. Trace over the words in grey.

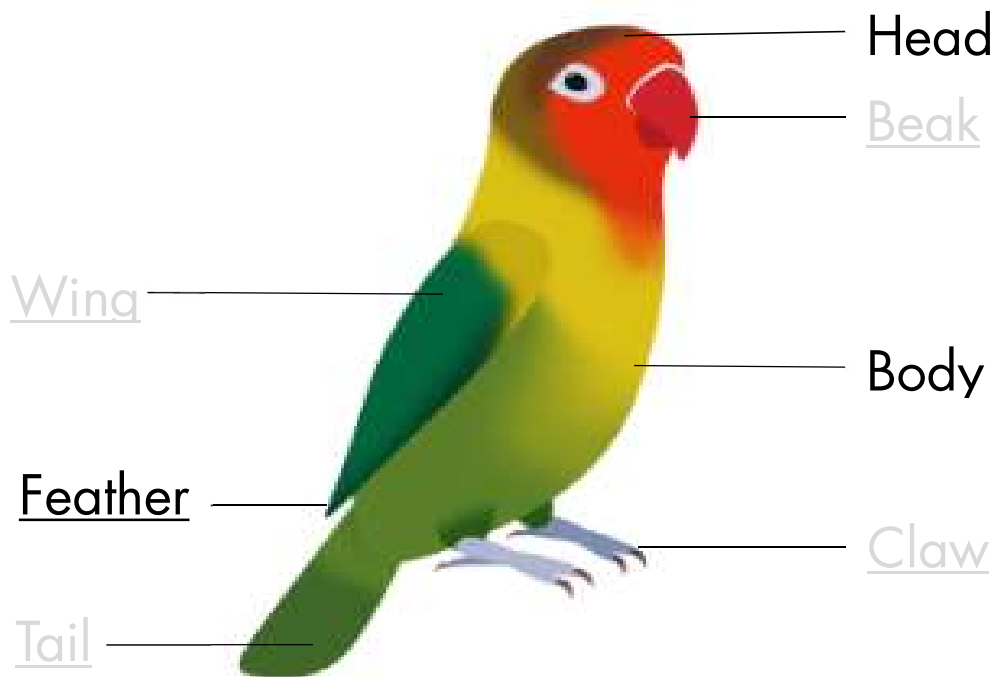

Do you know?

- It is cruel to abandon or release your terrapin into our water bodies.
- Released terrapins may not be able to survive in the wild.
- It will also affect the eco-system in the environment.

Let's Learn About the Parts of An Animal!
