Count Me!

Count the pets and write down the correct numbers.

Ans:
Hamsters

Ans:
Rabbits

Ans:
Red-eared Slider Terrapin

Ans:
Chinchillas

Do you know?

- Animals can make a lot of babies very quickly. You can consider sterilising your pet.
- By sterilising your pet, you can prevent issues such as overcrowding, lack of resources (food, care, space, etc.) and even potential abandonment.
- Keep them separately if they cannot be sterilised.

Hamster: 6	Rabbits: 4	Red-eared Slider Terrapin: 3	Chinchillas: 5
