

PARTICIPATE IN THE PUBLIC CONSULTATION ON MANAGING PET AND COMMUNITY CATS IN SINGAPORE

The Animal & Veterinary Service (AVS) wants your feedback on how to manage pet and community cats in Singapore.

Take part in our public consultation exercise to share your views on how we can improve the way we manage pet and community cats in Singapore!

Your feedback can:

- > Help AVS improve its cat management framework
- > Strengthen animal and public health
- > Improve animal welfare

This public consultation is also part of the larger Forward Singapore exercise that we are currently undertaking to refresh our social compact.

We want to hear from you!

Scan the **QR code** or visit the **link** below to take part in the online survey from **3 September to 2 November 2022.**
