

Pet Cat Sterilisation Support (PCSS) Programme

Collaboration between AVS and various partners to provide free sterilisation and microchipping for pet cats belonging to lower-income households

Starting

1 Sep
2024

Purr-pose of PCSS

- 🐾 Early intervention to **prevent unintended cat breeding**
- 🐾 Address **potential animal welfare issues**
- 🐾 Prevent complications from the **overpopulation of pet cats**

To qualify, cat owners should meet any of the following criteria:

- ✅ Under the Public Rental Scheme
- ✅ Receiving MSF/CDC financial assistance
- ✅ Holding a blue CHAS card
