

CONDITIONS ON ISSUE OF LICENCE FOR FARM (ANIMALS & BIRDS ACT)

The Animal & Veterinary Service (“AVS”) is a cluster of the National Parks Board, a statutory board constituted under the National Parks Board Act (Cap. 198A).

RESPONSIBILITIES OF THE LICENSEE

The following terms and conditions of licensing are issued in accordance with Rule 4 of the Animals and Birds (Licensing of Farms) Rules. The licensee shall comply with all provisions of the aforesaid Rules. All the terms and conditions as set down herein and all subsequent amendment(s), addition(s) or modification(s) deemed fit by the Director-General or an authorised officer from time to time. Failure to comply with any of these provisions and/or conditions shall render the licence invalid and subject the licensee to regulatory action.

DEFINITION

"Director-General" in these conditions means the Director-General, Animal Health and Welfare appointed under Section 3 of the Animals and Birds Act (Chap 7).

Licensing Conditions

- (1)** The licensee shall not use or permit or suffer the farm or any building thereon to be used otherwise than the activity approved by the Director-General and authorised AVS officers.
- (2)** The licensee shall permit the Director-General and authorised AVS officers with or without workmen at all reasonable times to enter into and upon the farm and into any building to view, inspect or check the state and condition thereof or for any other reasonable purpose.
- (3)** The licensee shall furnish any information as the Director-General and authorised AVS officers may reasonably require.
- (4)** The licensee is required to provide a copy of their business profile extract to the Director-General and authorised AVS officers within 14 days of any amendments lodged with the Accounting and Corporate Regulatory Authority (ACRA) with regards to their business firms or company.
- (5)** The licensee shall maintain the farm in clean and sanitary conditions to the satisfaction of the Director-General and authorised AVS officers at all times.
- (6)** The licensee must not use any human excreta, or raw animal or raw bird excreta for manuring in the farm.
- (7)** The licensee must implement all necessary biosecurity measures to prevent the introduction and spread of animal and plant diseases, and safeguard animal and plant health.
- (8)** The licensee must safeguard the welfare of the animals in the farm.
- (9)** The licensee shall comply with all specific guidelines pertaining to conditions (7) and (8) above, that may be imposed by the Director-General and authorised AVS officers from time to time.
- (10)** The licensee shall comply with any other conditions that may be imposed from time to time by the Director-General and authorised AVS officers.
- (11)** The licensee shall not keep more than ten (10) pet birds (non-waterfowl, non-poultry) in the farm premises.
