

COMMONWEALTH SECONDARY SCHOOL

“To become a School in Nature, our school looks beyond merely greening, but at how our students and staff can co-exist and live with nature, and play a part to be stewards and custodians of our wildlife and nature.”

Nurturing Student Leaders to be Stewards of our Environment

Creating a Safe Haven for Wildlife

Community Outreach and Engagement

Developing a Greater Love and Appreciation of Nature

NParks Community in Nature (Schools) Award 2020 - School of the Year
