T3. CALL TOPIC 3

T3.1 Should applicants assess the maintenance requirements of planting schemes using a dollar value assessment (e.g., \$X per square metres)? Will agencies provide information on the maintenance requirements of planting schemes (e.g., frequency of maintenance, and costs)? (02 March 2023)

Yes, applicants should conduct a dollar value assessment of the maintenance requirements of the planting schemes.

Agencies will facilitate the provision of information on the maintenance requirements of planting schemes.

T3.2 Is there any scope for this Call Topic to be a robotics project? (02 March 2023)

Robotics will only be considered insofar as it is relevant and part of a larger proposal to address the objectives and deliverables of the Call Topic. Submitted proposals will be evaluated accordingly, based on their proposed project scope.
