

# Gardeners' Day Out

17 Jul 2021

Gardeners' Day Out 2021 is now virtual!  
Participate in free gardening programmes from the comfort of your home.

## ONLINE VIDEOS

### Garden Invasion Series: Garden of Memories

Join Jarius, a seasonal plant collector, to see how his garden changes over the seasons and be inspired to curate your very own garden of memories.

### DIY Traps for Vegetable Pests

Learn how to make affordable DIY traps for common vegetable pests to mitigate pest damage on your edibles.

### Feature Plant

Exclusive from Pasir Panjang Nursery

*Kopsia singapurensis* has fragrant white flowers with a red dot at the centre and perfumes the garden when in bloom. Tolerant of waterlogged soil, this critically endangered native plant can grow into a small tree or pruned into a shrub. It is now available at Rake Spade @ HortPark for a limited time only, while stocks last!
