

Gardeners' Day Out

Online Talks and Demonstrations

19 Jun 2021

Gardeners' Day Out 2021 is now virtual!
Participate in free gardening programmes from the comfort of your home.

ONLINE VIDEOS

Masala Tea with Local Spices

Spices play an important role in many cuisines but how well do we know the plants they come from?

Join Paul as he takes us on a journey on the origins of the spices used in Masala tea.

DIY Ideas for Small Netting Structure

Netting structures protect young plants from harsh weather conditions and act as a barrier from pests. Learn how to build one such structure with this step-by-step guide.

DIY Eco-friendly Confetti

Learn to repurpose cut flowers and leaves into colourful biodegradable confetti for brightening up any occasion!

ONLINE WORKSHOP

Urban Kampong Programme

By Rake Spade

Interested in growing vegetables and herbs at home? This workshop provides an overview on how to grow greens and make probiotic drinks. Find out which organic and natural products are recommended for your health! Registration required and fee applies.

REGISTER HERE from 7 JUN

HortPark On-site Guided Tours

Please note that all tours scheduled for June 2021 have been suspended.
