

# Gardeners' Day Out

20 Nov 2021

Participate in our gardening programmes both on-site and from the comfort of your home.

ONLINE VIDEO

## Fungus Control by Trichoderma

Find out how *Trichoderma* biofertiliser is mass produced and used in farms to promote plant growth and control pathogens in the soil.

WATCH HERE on 20 Nov

TALK

## Bokashi Composting: Everything you need to know

By Ms Goh Pei Huan, GreenSpade  
Venue: Fruit Room, HortPark  
Time: 9.30 am – 10.15 am

Learn how Bokashi composting works by fermenting food scraps using effective microorganisms.

REGISTER HERE from 8 Nov

WORKSHOP

## Arrange Flowers like a Pro!

By Ms Pearl Ho, NParks  
Venue: MPH, HortPark  
Time: 1.30 pm – 2.30 pm

Need a floral arrangement in a jiffy? Achieve a professional-looking floral arrangement with simple steps and few materials!

REGISTER HERE from 8 Nov

PLANT HIGHLIGHT

Photo credit: Yong Wen Yen

The leaves of Green Pepper Basil (*Ocimum selloi*) smell like a mix of green pepper and basil when crushed. This plant has a higher resistance towards pests and diseases.

This plant is available at Rake Spade.

TOURS

## Virtual Tour: HortPark Rock Garden

Discover the newest themed garden at HortPark where one can traverse through canyon-like paths surrounded by boulders to discover plants with unique growth forms, textures and colours!

Please note that all on-site tours scheduled for Nov 2021 have been suspended.

CGEC WINNERS

## Community Garden Edibles Competition

Check out the results of the Community Garden Edibles Competition (CGEC) 2021 (October Edition) that showcased impressive harvests from our local gardeners!
