

Community in Bloom Awards 2020 (Housing Estates)

Community in Bloom

The Community in Bloom (CIB) programme was launched in 2005 and aims to foster a love for gardening among Singapore residents by encouraging and facilitating gardening efforts by the community.

Through gardening, individuals can come together to build community bonds and strengthen social resilience in our City in Nature.

Community in Bloom Awards

The CIB Awards recognises excellence in gardening efforts by community groups and aims to encourage community gardeners to improve the standards of their gardens while continuing to enjoy gardening as a fun and healthy activity.
