Park Etiquette

Before you begin your journey of discovery, here are some simple tips to help make park visits enjoyable for everyone:

- Enjoy the flora and fauna in this park. Take home nothing but photographs and fond memories.
- Feeding of wild animals may encourage them to venture out of their natural habitats. Please do not feed them – they have enough food that they can find in the forest.
- For your safety and that of others, please comply with the rules and regulations for the usage of PMDs in the park. Strictly no skates and skateboards are allowed in the park.
- Releasing of animals may cause more harm than good as they may not be able to adapt to the new surroundings and do not survive long after their release.

It is our responsibility to conserve the living things in our park, both for your enjoyment and that of our future generations.

For the well-being of our native flora and fauna, please abide by the Parks & Trees Act (Cap. 216) and the Parks & Trees Regulations (Cap. 216, R1)
