

MANGROVE SPEAKS! @ SUNGEI BULOH

Think that mangroves are dull, swampy and stinky?

Join us as we go behind the scenes and discover interesting insights through a series of talks by researchers, professionals and advocates of mangrove conservation. Learn about mangroves as speakers share their experiences and knowledge about this rich and important coastal habitat!

Learn About:

- ✿ Mangrove Flora & Fauna Diversity
- ✿ Mangrove Ecosystem
- ✿ Mangrove Modelling
- ✿ Coastal Trash
- ✿ Mangrove Habitat Enhancement
- ✿ Restore Ubin Mangroves (R.U.M.) Initiative
- ✿ Coastal Protection

22 July 2017

9 am to 1 pm

**Visitor Centre,
Sungei Buloh Wetland Reserve**

For more details and to register for the talks, please visit <https://www.nparks.gov.sg/activities/events-and-workshops/2017/7/mangrove-speaks>
