Nature

Grasslands

Surround yourself in a field of tall grasses or take shelter in the bird hides to observe the wildlife that live here.

Please note that as there are no lights in this nature area, visitors are advised not to enter after dark.

Rasau Walk

Take a stroll on this meandering boardwalk along the water's edge, and enjoy the dense variety of plants that thrive along the restored freshwater habitat.

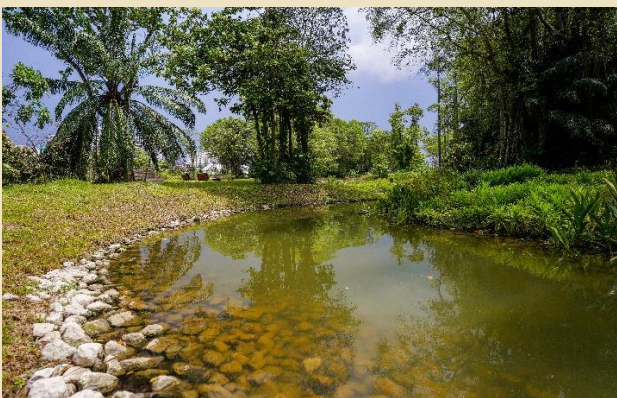

Nature

Freshwater Swamp & Alstonia Island

Discover the different varieties of native and rare species of plants in a restored freshwater swamp forest habitat, along the edge of Jurong Lake.

Neram Streams

Neram Streams consist of a series of naturalised waterways in an undulating landscape. This nature area features many tropical riverine species which are native to the region.

Please note that as there are no lights in this nature area, visitors are advised not to enter after dark.
