11 AM – 12 PM

VETERINARY DENTAL HEALTH & COMMON MISCONCEPTIONS (SAGE HEALTHCARE)

Speakers:

Dr Pathma Gurusamy (Island Vet Jurong)
Dr Boon Jun (Vet Practice)

As much as humans put effort in maintaining dental health, our pets' teeth require attention too. There are multiple misconceptions about how veterinarians tackle oral health and we want to address them. Knowing what we can do to prevent dental disease at home can also help and some tips will be shared.

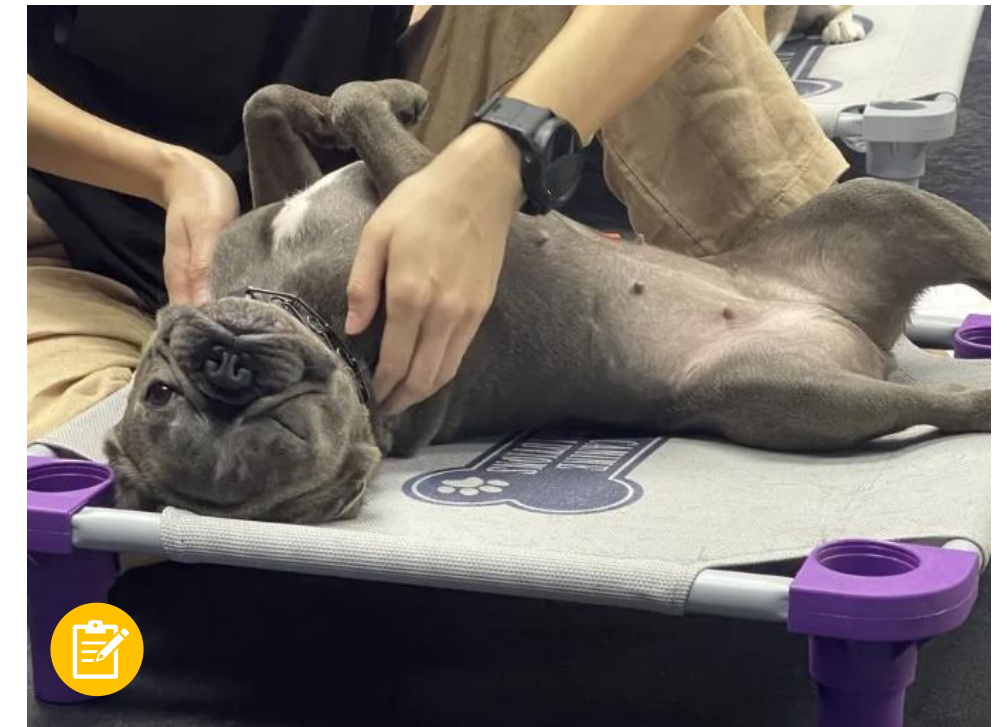

1:30 PM – 2:30 PM

BEGINNER'S GUIDE TO KEEPING RABBITS

Speaker: Jasmine Ng (House Rabbit Society Singapore)

Thinking of getting a rabbit as a pet because it's the year of the Rabbit? Come and join our volunteers from HRSS to learn about rabbit behaviors and the level of care required to provide a healthy living environment for a pet rabbit.

4 PM – 6 PM

INTRODUCTION TO BASIC ANIMAL REHABILITATION & MASSAGE

Speaker: Andy Yeo, Veterinary Rehabilitation Therapist (Optimus Animal Rehabilitation)

Learn about the anatomy of muscles in animals and the importance of animal rehabilitation. Participants will be equipped with the ability to use basic massage as a tool to provide comfort and improving the wellness of their pets. The goal is to make basic massage a skill that every pet owners can do, akin to brushing the pet's fur or pet's teeth, grounded with the vision to raise the overall pet care standards in Singapore.
