

BE A CONSIDERATE

PET OWNER

Be considerate and make the environment pleasant for everyone!

- Clean up after your dog(s) by using water from the water bottle to wash off the urine. Urinating on concrete flooring in common areas will cause bad smells and stains

- Clean up after your dog(s) by using a bag to pick up the poop and disposing of it properly.

- When walking past others, especially in small or confined spaces such as lifts, you should keep your dog(s) close to your side or carry them if possible.
