

ANIMALS AND BIRDS ACT (CHAPTER 7)

IN EXERCISE OF THE POWER UNDER RULE 3 (1) OF THE ANIMALS AND BIRDS (PREVENTION OF AVIAN DISEASE IN NON-COMMERCIAL POULTRY) RULES 2006

In furtherance of the Animals and Birds (Prevention of Avian Disease in Non-Commercial Poultry) Directive dated 2nd day of October 2006, the Director-General of Agri-Food and Veterinary Services continues to prohibit the keeping of more than 10 non-commercial poultry on any premises in Singapore with immediate effect.

Any person keeping 10 or less non-commercial poultry on his premises is to ensure that the non-commercial poultry is kept in a bird-proof cage or house or enclosure that meets the following specifications:

- (a) have a fine wire mesh netting that is capable of preventing the non-commercial poultry from any contact with any bird, poultry or animal from outside of the non-commercial poultry cage, house or enclosure; and
- (b) have a proper roof that is capable of preventing any droppings, waste, feathers and other particles from any bird, poultry or animal from entering into the non-commercial poultry cage, house or enclosure

This Directive will continue to remain in force until such time it is revoked or cancelled.

Dated this 21st day of May 2013
