Park etiquette

Before you begin your journey of discovery, here are some simple tips to help make park visits enjoyable for everyone:

- Stay on designated trails. By stepping off the trails, you risk disturbing and trampling on our flora and fauna.
- Appreciate the wildlife from afar and keep a safe distance from them.
- Enjoy the flora and fauna in this park. Take home nothing but photographs and fond memories.
- Monkeys are curious animals. For your own safety, please do not eat or carry plastic bags containing food in the presence of monkeys.
- For your own safety and that of others, no motorised vehicles, skates and skateboards are allowed in the park.
- Releasing of animals may cause more harm than good as they may not be able to adapt to the new surroundings and do not survive long after their release.

It is our responsibility to conserve the biodiversity in our park, both for your enjoyment and that of our future generations.

For the well-being of our native flora and fauna, please abide by the Parks & Trees Act (Cap. 216) and the Parks & Trees Regulations (Cap. 216, R1).

For enquiries, please contact NParks helpline at 1800-4717300.
