**Family Terracing Play  
(recommended for 5 – 12 years old)**

- Children can explore different levels and zones with interesting play equipment such as climbing ropes and telescopes

Types of equipment:

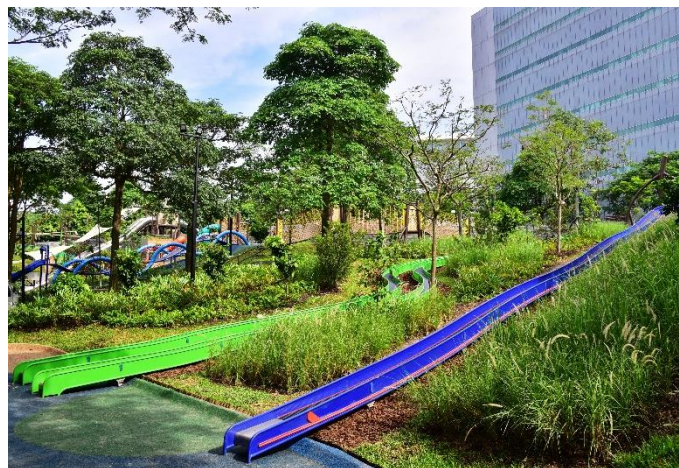

- a) Roller Ride: the only outdoor closed circuit roller ride
- b) Double Barrel Slide with Net Climber: approx. 23m long, with a height of 9m. The connecting net climber between the slides allow kids to climb all the way to up to the top of the slides. It is the longest and tallest tube slide in a public park
- c) Waterfall Climber: climber that follows the contours of the existing terrain
